Go Local scholarships are being awarded to senior students graduating from Tooele County School District High Schools at the end of the 2016 – 2017 school year. It is hoped that Go Local scholarships will serve as an incentive to students desiring to continue their education locally here in Tooele County.

With the presence of the Tooele Applied Technology College and Utah State University – Tooele Campus, students can stay at home and become well qualified for the workforce or earn a college degree without leaving the community. This presents a substantial savings to many students in their pursuit of higher education.

The “Go Local” scholarships will be in the amount of \$500 and must be used by the award winning students to attend the Tooele Applied Technology College or the Tooele Campus of Utah State University. It is anticipated that up to six scholarships will be awarded this year.

The availability of this scholarship will be promoted by the Tooele Education Foundation and all high schools in the Tooele School District.

The application deadline for the 2016– 2017 school years is Friday, April 14, 2017. The scholarship winners will be announced near the end of the school year.

Tooele Education Foundation will assemble a committee to judge the scholarship applications and will select the students to receive the scholarship from those applicants who apply. The award will be made at high school award ceremonies or directly to the student.
